casio dl-270a manual

Manual and User Guide for many equipments like mobile phones, photo cameras, motherboard, monitors, software, tv, dvd, and others. That's why I asked the most serious Calculator collectors around the world creating this list. This all results in a huge database. A collector will bid if auctioned but will put a limit offer. A collector is willing to go beyond the actual value. Collectors buy it at any price. But due to the age, it might rise in value. A collector will try to find this model new in the box. So, if this M1 is put on the market or auction site. The selling price strongly depends on the condition of the calculator and the extras box, manual, etc..
